Subject: **How to Help Our Community in 5 Minutes**

Dear Congregation,

God takes time to count each of us because we are so precious to Him. Likewise, the Census counts each person in the U.S. I'm asking us all to take 5 minutes today to help our community for the next 10 years.

Go to www.my2020census.gov and answer a few questions about the people in your household. If you don't know your ID number, don't worry. There's an option for that under the login button that says "If you do not have a Census ID, Click here".

[Where can I find my 12-digit Census ID?](#)

Please enter the 12-digit Census ID found in the materials we mailed to you or left at your door.

[If you do not have a Census ID, click here.](#)

Each household that completes the Census adds \$70,000 of federal funding to our community. That is **\$80-\$100 million** if we can get everyone in the Mid South to complete their Census. Not to mention: more representation in local, state, and federal governments.

You completing the Census today will help your children, your neighbors, and your community across the Mid South for years to come.

Yours in Christ,
